

WORK WITH GE VENTURES

Thanks for thinking of GE Ventures. We are always looking for new partners. Interested in working with us? Check out the below and see how we work!

GE Ventures invests in areas tied to GE company's strategy and focus areas. **Do you fit within one of our focus areas?** Healthcare, Advanced Manufacturing, Software, Energy or Corporate

 Yes

 No

We are really focused of these areas, but all is not lost! Go to the [contact us page](#) and share what you are working on and we will let you know if we may be able to help.

Fill out our [contact us form](#). We will be in touch if we are interested.

Do you fit within one of our sub focus areas?

-  **HEALTHCARE** – Digital Health, Healthcare IT/Services, Minimally Invasive Procedures, Precision Medicine
-  **ADVANCED MANUFACTURING** – Integrated Design, Advanced Fabrication, Brilliant Factory, Robotics, Digitized Supply Chain
-  **SOFTWARE** – Cyber Security, Cloud and Infrastructure, Industrial Data, User Experience
-  **ENERGY** – Utility 2.0, Smart Buildings and Smart Cities, Oil & Gas/Commercial Models
-  **CORPORATE** – Selectively invests in start-ups that are focused on improving corporate productivity and operational efficiencies

 Yes

It involves **LICENSING** an existing or developing GE technology

Did you know GE has 48,000 global active patents?

Great! What are you looking for? Equity? A partner to create a new business with? A technology to license?

It involves creating a **NEW BUSINESS.**

It involves **EQUITY.**

We help to create new businesses each year. We consider opportunities that tie to GE strategy, but are not near term GE business unit priorities. To learn more about GE's business units and product offerings, visit [GE.com](#).

Fill out our [contact us form](#). We will be in touch if we are interested. In the meantime [check out](#) the companies GE Ventures has invested in.

In March 2015 we launched a new business called Evidation Health with Stanford Health Care.

Think you may be a fit? Fill out our [contact us form](#). We will be in touch if we are interested.
